PACKAGING WORLD Earn additional branding at PACK EXPO International in Chicago.

Receive a complimentary “Ad Tower” when you run a full-page ad in all of our show issues:

- *PW's PACK EXPO International SHOWCASE*
- *Packaging World September issue*
- *Packaging World October issue*

We'll enlarge your ad and post it on one side of these 4-sided displays. Ad Towers will be positioned prominently throughout McCormick Place. They're a great way to reinforce your brand as people are navigating through the show site.

Ad Towers are limited and will sell out! Contact your *Packaging World* sales representative to take advantage of this additional value while supplies last. Or call 800-355-5595 for more information.

* We will feature the most current print ad we have on hand for you for the Ad Tower, at the time we go to press.

* No guaranteed positions - advertisers' ads will be placed randomly among all available locations at McCormick Place.
